| Friday, 20 August | Missions and Ministries begin |
| Tuesday, 31 August | Welcome Assembly |
| Friday, 1 October | Term 3 ends |

BoT community comms:

The BoT met last week at the end of what has been another busy term. While the days have been getting shorter and colder it hasn't stopped school activities carrying on - a big thank you to both those who organised and those who attended the Matariki Breakfast this week, it was a wonderful time to enjoy community fellowship together while enjoying God's creation and talking about the importance of Matariki in New Zealand culture.

Cross country last week went really well, and a special thank you to the children for their full participation - cross country is a kiwi school tradition and it's wonderful that the children are keen to get out there and run.

You'll have noticed the new bus that we have had this term - a big thank you to Daniel Reurich for being instrumental in corresponding with the Ministry of Education and getting the new bus service set up. We know that there is quite a sizable waiting list for the bus, and we understand that Daniel is still corresponding with the MoE about this - we hope that we'll be able to provide an update on this in term 3. The Maranatha Foundation Board are close to completing their Special Character Review, and a copy of this will be sent to the parent community once it is completed.

We'd like to officially welcome Debbie Middleton to the Board of Trustees. Debbie and her family have a long history with the school, and she has been appointed as a representative from Discovery Christian Centre.

As we all know, Covid is still a lurking presence in New Zealand, and we appreciate the support from the staff, parents and students as we responded to the alert level changes a few weeks back. We were thankful that it was only a short time at level 2.

Finally, we hope that everyone enjoys a well-deserved holiday!

MCS Raptors

Congratulations to the MCS Raptors basketball team for being the winners of their pool.

*By wisdom a house is built, through
understanding it is established.*
Proverbs 24:3
