Photo Permissions

The use of student photos and subsequent permissions has become quite problematic for schools in recent years. In an attempt to tidy this area, we have created a new set of permissions that cover a range of scenarios where we would use images of students to promote the school both within our community and beyond.

Please note, when using images of students (outside of the school buildings or online) we will either use no names at all or where necessary, use first names only).

Due to the complexity of removing images of children completely from around the school and school community events (viewed only by those within the school community), we encourage all families to give permission for images of their children to be used for these purposes, eg class photos, noticeboards, slideshows at Prizegivings, etc.

Parents' Covenant and Declaration

- We, having become familiar with the aims and objectives of Maranatha Christian School, commit ourselves to support the school's principles.
- We will actively participate in the education of our children, with specific reference to behaviour encouraged and expected by the school. (Refer to the behavioural Expectations page attached.)
- We agree that Christian education is a partnership between school and parents. To know and have an understanding of what our child is learning, we recognise the need to work together with teachers. We will liaise directly with our child's teacher when necessary, will attend parent-teacher interviews and parent forums each term.
- We are aware the school encourages the active involvement of parents in the life of the school. To this end, we will familiarise ourselves with school activities through the fortnightly school newsletter and will respond quickly to special requests when able. Where able, we will offer ourselves for rostered services to assist the cause of the school.
- In case of disagreement we commit to act at all times within the spirit of the 'Matthew 18 Principle'. We will go directly to the person(s) involved to bring about a peaceful resolution as much as it lies within our power. If this cannot be reached, we will then approach the Principal.
- We will encourage our child to the best of our ability to live by Christian standards and to develop a personal relationship with God.
- We commit ourselves to making full payment of school fees within 14 days of the beginning of each term (or once accounts are issued). We will abide by all conditions detailed on the Schedule of Fees & Conditions.
The voluntary donation enables my/our children to receive Maranatha Christian School's distinctive education and covers basic stationery requirements etc.
- We accept that our child's continued enrolment at Maranatha Christian School is subject to our fulfilling the commitments we have made. We therefore sign with the full intention of meeting these obligations and responsibilities.
