Educational Assessments Wellington

Young people can struggle with learning for a myriad of reasons, and consequently, it can be expressed in their behaviour, emotional regulation, motivation and more! We know this can be a very confusing and often challenging space for young people and their families to navigate.

If your child is struggling at school, a comprehensive learning assessment may provide you with a clear understanding of what is getting in the way of them reaching their learning potential. Our learning assessments can identify:

- Specific Learning Disorders
- A broader cognitive impairment such as an intellectual disability
- Specific emotional or behavioural difficulties.
- Gifted and talented learners
- Special Assessment Conditions.

To enquire please contact us at <https://www.educationalassessments.co.nz/>

or via our emails:
Taylor: Taylor@edassessments.co.nz
Dan: Dan@edassessments.co.nz
Phone: (+64) 028 464 0729
